### About Conference

International Conference on Computational Science and Numerical Algorithms (CSMA 2021) will be held from May 29-31, 2021 in Guilin, China. CSMA 2021 will cover issues on Applications of computational science, Problem solving environments, Complex systems: modeling and simulation, Web and grid based simulation and computing, Linear and nonlinear programming, Advanced computing architectures and new programming models, Computational humanities, etc. It dedicates to creating a stage for exchanging the latest research results and sharing the advanced research methods.

### Conference Topics

Applications of computational science  
Problem solving environments  
Advanced numerical algorithms  
Complex systems: modeling and simulation  
Hybrid computational methods  
Web and grid based simulation and computing  
Parallel and distributed computing  
Linear and nonlinear programming  
Systems of nonlinear equations

Advanced computing architectures and new programming models

Visualization and virtual reality as applied to computational science

Applications of computation as a scientific paradigm

### Publication and Presentation

**Publication:** All the accepted papers will be published by a peer-reviewed open access journal that can ensure the widest dissemination of your published work, for more information, please contact us ([wsconf5@163.com](mailto:wsconf5@163.com)).

**Index:** CNKI and Google Scholar

### Hotel & Venue

Grand Link Hotel 桂林桂山华星酒店  
Guilin Grand Link Hotel locates on the bank of Li River in the beautiful city of Guilin which enjoys the fame as “having the best scenery in China”. Facing the city badge the Elephant Trunk Hill across the river and adjacent to the Seven Star Park and ZiZhou Island Park. It is only 10 minutes’ ride to the downtown city, the railway station, the Hi-tech Industrial Zone and International Exhibition & Conference Center, 45 minutes to Guilin Liangjiang International Airport. It is the only luxury garden resort hotel on the Li River bank and near the gardens.
